REGATTA -1940

ast

Regatta pavillion burns-Known later as
"Fire "sale" Regatta Aug 27,1940

Aug 26, 1940. Fire broke out at 6.48 P.M. in former U R & N dock house which had housed the Regatta for previous four years. Building was a little over 50 years old.

National Guard armory occupied west end of building and men on way to drill saved 62 ~~gun~~ and rifles and some uniforms.

Lack of business caused railroad to let building go for taxes in 1930 and county had \$10,000 insurance on dock. Regatta went on despite fire.

Known as "Fire Sale" Regatta
Tommy Luke was admiral. New grandstand done for opening Aug 28. See Budget of Aug 27.
